Pallet weight	50kg / 110,2lbs
Pallet dim. (cm / in)	120x120x120 cm / 47,3x47,3x47,3 in

Useful information:

As easy to store as it is to organise, we have designed the MB Gourmet Pro to make it simple for restaurant professionals to serve their complete meals to take away. Containers and lids can be nested for easy storage. Bi-injected seals and cap to prevent any piece loss and avoid any leakage. Microwave-safe thanks to the steam release cap. Transparent Tritan™ lid to whet the appetite and highlight the ingredients used. Quality materials for a lasting product. Slight built-in divider to separate the ingredients. Two rounded edges to make the container easy and safe to use, even with a warm dish. Removable food cup (not included) to compartmentalise the dish.
